The National Being:
Thoughts on an Irish Policy
By A. E. GEORGE RUSSEL

The book is full of sublime sentiments, inspiring thoughts, sound advice and practical suggestions for those who are engaged in the patriotic and humanitarian work of nation-building, and co-operative reconstruction of rural and urban life.
Original Price Re. 1. Reduced Price As. 8.

The Dawn of a New Age
And other Essays
By W. W. PEARSON

A NEW age is dawning on us, not only an age of liberty, equality and fraternity but also of universal love. Analysing the salient features of the Tagore's educational movement and Mahatma Gandhi's work and personality, he shows how they are essentially the harbingers in India of the Dawn of the New age.

AHIMSA AND WORLD PEACE
By Mr. WILFRED WELLOCK

Mr. Wellock is one of those few farsighted Western friends who see in Satyagraha the future peace and happiness of the world and his writings therefore cannot but be of special interest to India at the present time.
Original Price Rs 1-8. Reduced Price As: 12.

The Spiritual basis of Democracy
By WILFRED WELLOCK
With an Introduction by Bertrand Russell

In this thought-provoking book Mr. Wellock expounds the Spiritual principles underlying the political philosophy and shows how the west has in its blind worship of industrialism and Imperialism knocked the bottom out of the social, economic and political edifice it has been building for centuries.
